

Northwestern University

# Center for Talent Development

Grades 3-8

For more than 35 years, the Center for Talent Development (CTD) at Northwestern University has offered enrichment and credit-bearing courses for academically talented students. This summer, CTD is running an accelerated week-long enrichment experience in Golden Valley.

- Gain insight into careers in science, engineering or technology.
- Engage with like-minded peers and motivating instructors.
- Hands-on courses in STEM topics.

**Courses fill quickly!** Course descriptions & application available online now:
